HEPATITIS B VIRUS VACCINATION DECLINATION STATEMENT
UNL Bloodborne Pathogen/Exposure Control Plan
Form EHS-BBP-02
(Revised 5/10)

I understand that due to occupational exposure to blood or other potentially infectious material (OPIM), I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine, at no charge to me. However, I elect to decline the Hepatitis B vaccination at this time. I understand that if I am not vaccinated, I continue to be at risk of acquiring Hepatitis B, a serious disease. If, in the future, I continue to have occupational exposure to blood or OPIM, and want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me, and following notification to my supervisor.
