

UNL Confined Space Program  
Form EHS-CSP-04 (11/99)  
**CONTRACTOR INFORMATION FORM**

The information on this form is being provided to you, the contractor representative, in accordance with the requirements of OSHA 29 CFR 1910.146, to ensure that you are informed about the hazards of this permit space and the procedures used at UNL for entering the space safely. To enter this space, your company is required to have in place a Confined Space Program that meets the requirements of the OSHA Standard 29 CFR 1910.146, and all employees who supervise, enter, or attend this entry must be trained in accordance with the requirements of this OSHA Standard. A copy of this form should be kept by the department individual arranging the contract, a copy should be sent to EHS, and a copy should be provided to the Contractor Confined Space Entry Supervisor. For more information, see Section 3.8 of the UNL Confined Space Program (CSP) document. Terms and definitions are provided in Appendix A of the CSP document.

Date: \_\_\_\_\_ Location: \_\_\_\_\_
